Comments from previous conference participants...

+It was so directed to who we are as women. The faith of the speakers who were converts really made me realize the need for me to know what it means to be Catholic.

+I loved each and every talk--all talks were spiritually nourishing and full of the truth.

+I feel so blessed to have been able to attend my second conference. I hunger for this.

+The speakers--they were dynamic and inspiring. The Eucharist Chapel was awesome.

+I appreciate the "Men in Black"

+Speakers were so sincere and great witnesses to our faith. Conference was so informative and hopefully has helped us appreciate our faith more and encouraged us to grow in it even more.

+I liked it all so I can't choose a "best". The whole conference was absolutely GREAT--AWESOME. This is my first time and what a truly spiritual day!
