Comments from previous conference participants...

Conference was a spiritually uplifting day... challenged me to more fully live out my Catholic faith.

So beautifully put together. I felt so welcomed. The talks brought Jesus into full view. The atmosphere was warm and friendly, inviting and non-intimidating. I learned much.

The pace was perfect. The speakers were excellent. The lunch was delicious. Usually I leave a conference exhausted. I feel refreshed & energized. You could feel the prayers covering this conference.

This was my first M/M conference. I really want to come next year. The day really strengthens my faith.

Your speakers were terrific ... This conference had a big effect on me.

I really enjoyed the teen talks because I could really relate to them. Sister was so funny. She connected our way of life to our religion & how we should profess our faith.
